Approval of August meeting minutes tabled until next meeting

Reviewed and discussed time frame for what is still needed prior to our October meeting with Chris Khorey- Zoning Administrator.

Per Deb Schafer – Township Supervisor relayed that a complaint was lodged by a resident related to potential violation of our current “Junk” ordinance. There is the potential that the “Junk” may be in the road right of way. We will notify the county road Commission to check if this is indeed a violation of the county right of way usage and Lori Pung- Planning Commission Chairperson will draft a letter to send to the homeowner with the current zoning requirements/ definition of “Junk”.

Additionally, Deb Schafer shared a concern of another resident related to minimum land requirements to own goats. We reviewed the current ordinance and it is 3 acres. Deb Schafer said she would relay that back to the resident.

Motion to adjourn meeting by Lori Pung at 8:12 PM – seconded by Brenda Zlotek- motion passed

Respectfully submitted by Brenda Zlotek, Bengal Township Planning Commission Secretary
